

## Holiday Greetings

In [this video](#), I share a few of the recent success stories of our Scholars—The return on your investment. You can LIKE our [Facebook page](#) and be updated a few times per week. LE•O now supports 45 students and scholars in USA, UK, Canada, and Egypt.

LE•O never charges a fee for our services—We are all volunteers. You can join our mission, and become a part of the LE•O family.

You can contribute by

- donating to expand our scholarship acquisition program;
- becoming a host family;
- providing internships in your businesses;
- funding warm clothing and bedroom set up;
- funding computers and books; and,
- sharing your frequent flyer miles.

All this helps to fill the GAP in funding beyond the scholarships provided by our university partners.

On behalf of the students, the board members, and all of the volunteers, we wish you and your families a happy holiday season, and a peaceful year.
